

INTERMOOR NAMES SENTELL SALES REPRESENTATIVE

AMELIA, La. (Sept. 28) – Greg Sentell has been named sales representative at InterMoor Inc., which designs, provides and installs integrated mooring systems to secure oil and gas platforms worldwide.

Sentell has more than 20 years' experience with domestic and international industry sales operations at Varco Drilling Equipment. During his tenure there, he served as a regional sales manager for Asia Pacific, Western Hemisphere and, most recently, Latin America, where he increased new product sales by 20 percent.

Sentell earned a bachelor's of science from Louisiana State University.

Sentell is based at InterMoor's headquarters in Amelia, La. InterMoor also has sales, engineering and projects offices in Houston.

InterMoor, an Acteon company, is an industry leader in innovative mooring technology. Acteon is a group of specialist engineering companies serving the global oil and gas industry.
