

INTERMOOR NAMES FACILITY AND PERSONNEL MANAGERS

AMELIA, La. (June 13) – InterMoor Inc., an Acteon company, has named Victor Mitchell as fabrication shop manager for its Amelia, La., facility. Additionally, John Bryan and Cohen Guidry have both been named managers of HSE/HR training.

Mitchell has more than 36 years of industry experience, having served in similar capacities with Bollinger Marine Fabricators and McDermott International. At InterMoor, he directly manages all activities conducted at the fabrication facility including customer service, compliance, and quality and safety control.

Bryan has 13 years' experience in HSE/HR and quality control inspections. Most recently as HSE/HR site manager for Plant Performance Services, he oversaw offshore repair work on the BP Thunderhorse project in the Gulf of Mexico.

Guidry has 15 years' experience relating to safety, human resources, oilfield operations and business management. His career in the oilfield includes roles with Nabors Offshore and Capital Welding. Guidry is a member of the International Association of Drilling Contractors (IADC).

As an industry leader in innovative mooring technology, InterMoor delivers integrated mooring systems worldwide for the offshore oil and gas industry.

Acteon is a group of specialist engineering companies serving the global oil and gas industry.
