

INTERMOOR DO BRASIL HIRES HSE ASSISTANT

RIO DE JANEIRO, Brazil (September 1, 2009) – InterMoor do Brasil Serviços Offshore de Instalação Ltda., an Acteon company, has named André Pallares as the company Health, Safety and Environment Assistant.

Previously, Pallares held the positions of Technical Assistant at Maersk Oil Brasil Ltda. and H₂S Supervisor Trainee for Maersk H₂S Safety Services. Pallares has experience in areas such as calibration, inspection, maintenance and organization of personal protective equipment (PPE). At the InterMoor do Brasil office, Pallares will be in charge of coordinating all HSE requirements for Brazil operations.

“We feel that André will be a valuable addition to our HSE team,” said InterMoor QHSE Director Randy Mautz. “He will help further support InterMoor’s international HSE efforts.”

InterMoor is a leading supplier of mooring technology providing innovative solutions for rig moves, mooring services and subsea foundations including engineering and design; survey and positioning; fabrication; and subsea services.

Acteon is a group of specialist engineering companies serving the global oil and gas industry.
