

**INTERMOOR NAMES OLDS SUBSEA SERVICES
OPERATIONS MANAGER**

LAFAYETTE, La. (June 19)- InterMoor Inc., an Acteon company, has named Lonnie Olds subsea services operations manager in its Lafayette, La., office where he will manage all activities related to operations and development of company products.

With over 15 years of operations experience in the oil and gas industry, Olds joins InterMoor from Expro where he was a cased-hole operations supervisor. He also has previous operations experience with Halliburton and Schlumberger and studied electronics at Young Memorial Vocational School.

“As InterMoor continues to grow its global operations and subsea services capabilities, it is imperative that we have the right people in place to direct and oversee company research and development as well as customer operations,” said Tom Fulton, president. “Lonnie’s experience and knowledge of the subsea industry in conjunction with his managerial skills will be a huge asset in InterMoor’s global growth strategy.”

InterMoor is a leading supplier of mooring technology providing innovative solutions for rig moves and mooring services including engineering and design, fabrication and subsea installation.

Acteon is a group of specialist engineering companies serving the global oil and gas industry.
